TND Final Master (Subarea) Plan  
Zoning Document

**ELECTRICAL DEPARTMENT**

REQUIREMENTS	APPLICANT YES-NO-N/A	CITY STAFF VERIFICATION	CITY STAFF COMMENTS
1. Service desired:  Overhead _____ Unknown _____ Underground _____ Combination _____ (This information is for planning purposes only.)			
2. Existing electric utility easements have been shown. <b>(required for approval)</b>			
3. Existing electrical plant facilities, i.e. poles, anchors, pad mount transformers, street lights, etc. have been surveyed and shown on the master plan. <b>(required for approval)</b>			
4. Will your Master Plan necessitate relocation and/or removal of existing electrical infrastructure? If yes, explain:  _____ _____ _____ (Info. Only. Failure to identify relocation of infrastructure could cause delays in construction.)			
5. The following standard notes are <b>on</b> the drawing: 1. No construction of buildings or signs or installation of landscaping shall take place within easements without the City of Oak Ridge’s written approval. Landscaping must comply with CORED Standard 650 (latest revision). Landscaping must be approved in writing by CORED and Public Works via an easement encroachment form. Placement shall be coordinated with the City. 2. Landscaping, improvements, and construction within utility easements are performed at the risk of the owner. Reasonable care will be taken by utilities to preserve improvements and landscaping within subject easements. The City of Oak Ridge will not be responsible for replacing or repairing improvements within affected easements that may be damaged while performing work within the easement. <b>(required for approval)</b>			
6. Have you participated in a meeting with the City of Oak Ridge Electric Department to establish a plan for providing electric service to each lot? Meeting Date _____ Please note: while a Final Master plan will be approved without an indication of the electrical route depicted, the Preliminary Plat will require a definitive route for approval. It is highly recommended that the route be established as part of the Master Plan, as changes to the Master Plan could arise if routing is delayed. (This info is for planning purposes only.)
